STUDENT ADMISSIONS

A. Admission Policy

Mutiara International Grammar School (MIGS) accepts all qualified students who apply. Applications for admission are accepted throughout the year. All applications to the school must be accompanied by previous educational records, any appropriate medical records, and proof of age. All children are required to sit for an Entrance Test. Admission may be conditional and dependent on the decision of the Student Admission Selection Panel.

All students are eligible for admission if the school can meet their particular needs. At present, the school is not equipped or staffed to accept students with severe to moderate learning disabilities, physical or mental disabilities, or emotional problems. Students with mild physical or learning disabilities may be admitted if in the Panel's view adequate special programs can be worked out. Children whose native language is not English may be required to undergo instruction in the English as a Second Language programme. Fees for any special materials, supplies, and additional instruction will have to be absorbed by the parent. These fees are in addition to the regular tuition fees.

B. Placement Policy

Placement in all classes will be made by the Panel on the basis of the child's previous educational record, the assessment of the School, and by age.
C. Admission Procedure

ENQUIRY

1. The Admissions Office will guide parents through the admission process and remain the first point of contact until the prospective student’s arrival at School.

INTERVIEW

The objective of the interview with the Head of School is to be briefed on the school’s expectation. Parents and prospective students will be asked appropriate questions in order to complete the profile of the student and thus assess his/her suitability for enrolment into the School. In turn the parents and the child will have an opportunity to ask for information about the School. Interviews with the Head of School will indicate the following possibilities:

• Parents who wish to confirm the offer of a place have to complete all required formalities within a given time-frame. These include – completing and signing the Admissions Terms & Conditions.

• Once all the formalities have been completed and the date for admission has been agreed upon, the Admissions Office will ensure that the new student’s class and house placement have been confirmed.
