16th April 2020

MIGS/ADM/T3/PRC/WS/PS/2020-0212

Dear Parents and Guardians

MESSAGE FROM THE PRINCIPAL – UPDATED FEES FOR TERM 3 2019/2020

I trust and hope your family and all the members of the MIGS extended community remain safe and well during the extended period of uncertainty.

I would also like to thank parents for their support as we have commenced our remote learning journey during this extended Movement Control Order. As we continue to utilize the recent leaning platform via a google site, this will also serve as our future foundation for curriculum information and termly outlines to parents. So although the site is new and developing daily, it has a planned longevity as a central resource hub for students, teachers and parents alike.

May I also take this opportunity to thank parents for their feedback as well as their positive reinforcement of lessons and continued motivation whilst your sons and daughters learn from home.

We are keen that learning continues and we do also recognise the additional impact of this ongoing pandemic. To this end I am pleased to share the following information in regards to fees for Term 3 academic year (AY) 2019/20. In addition to a reduction in fees, we are also offering an installment plan to assist parents. These discounts are not just applicable to a period of remote learning, but are applicable to the whole term fee for Term 3 AY 2019/20.

Payment option for Term 3 AY 2019/20	Applicable Reduction	Payment Schedule
Installments	8%	3 equal payments due on :- 22 nd April 2020 22 nd May 2020 22 nd June 2020
One time term payment	10%	To be received by the 1 st May 2020

Points note:-

- These reductions are offered in addition to any reductions or discounts such as sibling discounts and will be calculated following the application of any existing discounts.
- If you have already paid the term fees, the reduction will be calculated and carried forward as a credit for Academic Year 2020/21.

These additional options are offered as part of our continued commitment to offer a quality of education to our students.

As you are aware the last fee increase was in Term 2 2016/17 and we will continue to maintain these fees until Academic Year 2021/2022.

All payments can be made in the usual formats and for further details please contact Ms Zarela from the Finance Department with email additional zarela.zulkifli@migs.edu.my at the finance office or Ms Siti in admissions at sitizaidah@migs.edu.my.

Yours sincerely,
JOHN PAUL BIRCH
Principal
