MIGS SIXTH FORM

Our Sixth Form programme here at Mutiara International Grammar School aims to engage and challenge our students through a variety of courses and opportunities to connect with our community and the ever growing global connected society.

Our focus will remain firmly on academics, offering A Level courses from the Cambridge programme of study, whilst also reflecting the unique environment of a sixth form, where cultural experiences, sporting engagement and exposure to numerous charities and events are available. Creating opportunities to provide the foundations for students to realise and develop their unique talents and passions.

With university just around the corner, we must ensure our students begin to engage with the world around them, developing their intellectual and personal skills necessary to thrive when they eventually leave the school. Mutiara International Grammar School is indeed an extended family where teachers and tutors provide extensive support for the students. We are keen for our students to leave with outstanding examination results, the life skills they need to succeed and go on to study their select course at the best universities.

WHY STUDY A-LEVELS AT MIGS?

The Cambridge A-Level are examinations based qualifications administered and regulated by the Cambridge International Examination (CAIE). Mutiara offers a broad selection of subjects to maximize accessibility to the largest number of higher education institutions and future career paths.

Mutiara has high expectations for our Sixth Form. We both encourage and require them to approach their studies in an organized and enthusiastic manner. As they remain as an integral part of our school, we provide dedicated university and career path research area, a supervised Sixth Form Study Room and a dedicated Lounge.

Our students develop in-depth subject knowledge, independent thinking and the concrete application of knowledge through differentiated teaching methods and develop diverse learning skills.

Mutiara provides the right conditions, academic and emotional support that will allow every student to flourish and excel academically and offers opportunities for holistic, well rounded personal growth and development.

PERSONALIZED STUDENT ATTENTION

We maintain small sized classes to provide more personalized interaction and learning opportunities.

HOLISTIC & WELL ROUNDED

Our commitment and focus is to ensure that students develop academic knowledge and skills, but also creativity and soft skills necessary for academic and career success.

SUCCESS BEYOND ACADEMIC EXCELLENCE

Mutiara builds student curiosity, and inspires motivation to learn and equips them with the tools and skills to excel in their subjects of choice to achieve admission to university as well as future career goals.

DIVERSE LEARNING SKILLS

Mutiara students learn following the most recent teaching methods in a learning focused environment. We encourage independent learning to develop a sense of responsibility and self confidence. Collaborative learning helps students master peer-to-peer interaction and research skills equip students with the techniques to learn and broaden their academic perspectives.
