

16th May 2018

Dear Parents/Guardians,

SEMINAR: “OUR GADGET KIDS”

We would like invite parents to the final seminar by the Counsellor for this academic year.

Title: Our Gadget Kids

Date: 31st May 2018

Venue: Library

Time: 2.30 p.m. – 4.00 p.m.

The session aims to be interactive and will examine the pros and cons of modern day gadgets and how they impact our children.

Our discussion will revolve around questions such as

- Is technology always a good thing?
- Does this increased exposure to gadgets such as mobiles, tablets, and pcs have social and health repercussions for our children?
- Does it improve children’s cognitive and analytical skills and provide an opportunity to improve performance, and also provide endless entertainment?
- As parents are we finding this a major challenge?

To register, please email Ms Rajani at rajani.vidyasagar@migs.edu.my .

Thank you and look forward to your attendance.

Yours sincerely
