DISCOVERING POTENTIAL · LEARNING TO CARE · RESPECTING DIFFERENCES

17th October, 2018

Dear Junior School Parents,

The field trips for Term 1 have been organised and scheduled by the year level teams.

This year, we would like to welcome parent volunteers to join and support us on these learning trips. We are opening it to 2-4 parents per trip, depending on the year level student numbers and transportation organisation.

- Year 2, 3 and 6 received trip letters on 16/10/18
- Year 1, 4, 5 and Reception will be receiving on the 18/10/18

Once all forms are received, the year-level teachers will collate names for parent volunteers. They will communicate with you if you are selected. If you are not shortlisted for this trip, there will be other opportunities for you to participate throughout this academic year 2018-2019.

The cost of the trip has to be borne by the parent.

We are attaching information of the trips along with the teacher emails, for you to connect and communicate. We look forward to collaborating with you.
