DISCOVERING POTENTIAL • LEARNING TO CARE • RESPECTING DIFFERENCES

21st March 2019

MIGS/ADM/SS/PS/2019-0079

Dear Parents/Guardians,

MIGS CAREERS DAY 2019

Mutiara International Grammar School will hold its Careers Day on 27th March 2019.

The objective of Careers Day is to provide our students with hands-on exposure to the diverse and exciting career opportunities available in today's society.

The day will start at 8.30 am with an informative and enlightening talk from Mr Infantino Fernandes on a career from sculptures. The second speaker will be Amar Fazillah, a MIGS alumni, followed by Joseph Woo another MIGS alumni.

The second part of the event will be to showcase our college and university representatives, who will offer guidance and insight to the Year 9, 10 and 11 students on the future courses of study after Year 11.

The following are the colleges and universities that will participate by offering guidance and information to students as they walk around the booths:

1. Sunway College
2. University of St Andrews
3. The One Academy
4. UKEC – United Kingdom Education Centre
5. University of Kent
6. ASA Education

Representatives from these institutions will disseminate valuable information to our students through interactive programmes at their individual booths in the school hall from 11.30 a.m. to 2.00 p.m. Parents may take the opportunity to discuss any further study options for their children from 2.00 pm to 3.00 pm with the various institution. It is hoped that with this increased awareness our students will be able to make decisions in order to achieve career satisfaction.

Warmest Regards,

STEPHEN WEST

Principal/Head of Senior School
