

13th February 2019

MIGS/ADM/SS/PS/2019-0052

Dear Year 11 Parents/Guardians,

MOCK TRIALS DISCUSSION

With the Mock trials now out of the way, I would like to invite parents and guardians to school to share the results and discuss the recommended areas for improvement.

I firmly believe that our children's education is the shared responsibility of parents and teachers, and as we share the journey together, we need to collaborate the best methods to assist their growth. Discussion will allow us to compare the results across all subjects, consider trends and patterns that may be emerging and diagnose ways in which we can assist student improvement at both home and school.

I look forward to meeting you.

VENUE: MIGS Hall

TIME: 2:45 p.m.

DATE: 18th February, 2019 (Monday)

Yours sincerely,

STEPHEN WEST

Principal/Head of Senior School
