

8th March 2019

MIGS/ADM/WS/PS/2019-0073

Dear Parents/Guardians,

MORNING TRAFFIC CONDITIONS

I would like to take this opportunity to remind everyone on safe driving and courtesy. As I mentioned in the welcome back to term letter of 18th January, 2019, I realise that there is traffic congestion in the mornings when picking up students. Fortunately, most parents are quite patient when observing the traffic, and for that we are truly appreciative.

However, a few parents continue to remind us that some cars are still parking just off the Akleh down ramp in front of school. This is continuing to be a distraction for some drivers, not mention a hazard for oncoming cars. Therefore, may I remind parents not to park along the main road at any time if dropping off or picking up students from school.

Thank you for your cooperation.

STEPHEN WEST

Principal/Head of Senior School
