Dear parents/guardians,

YEARS 7 – 10 PARENT TEACHER MEETING TERM 1 2018-2019

We would like to cordially invite you to the First Term Parent-Teacher meeting which is to be held on Thursday 13th November, 7.45 a.m. to 12.30 p.m.

Our aim for Term 1 this year, is to explain why it is an important term in understanding the settling in and direction that a student undertakes during the first part of the year. While assessment and exams are important in senior school, the focus for the first term should be more on establishing the guiding criteria that helps a student adjust to a new grade, and to also ease them into a study routine suitable for the content.

During the meeting, we would welcome open discussion that allows both parent and teacher to share concerns, voice opinions and to reach a better understanding of the child's ability to cope with the subject lessons. Term 1 is about learning and developing for student needs rather than assessment and we feel that this is the best step forward in allowing MIGS students to perform at higher levels later.

In term 2 we will focus on how well the student is consolidating their learning and what approaches we feel are necessary to assist them achieve goals.

Year 11 students will be sitting Mock Exams in February, so we will hold a special Parent-Teacher meeting later in February to discuss our findings and ways to help students cope with exam formats and subject matter.

Most Senior School Teachers who teach years 7 – 10 should be available for consultation on Thursday 13th. The consultation time is 15 minutes per parents.
