MIGS/ADM/SS/PS/2018-0008

Dear Parents/Guardians,

RE: INTERNATIONAL DAY

Mutiara International Grammar School is once again organising the Annual International Day to be held on 30th November 2018. This is another opportunity in which we take pride in acknowledging and celebrating the diversity of our school community.

Our students come from more than 30 nationalities and events like the International Day give us the opportunity to highlight the rich heritage, traits and values of the cultures represented at our school.

Our aim of the day is to:

- provide fun-filled and meaningful educational experiences for our students
- celebrate and bring the school community together
- explore cultural diversity within MIGS
- open the opportunity for our students to celebrate their own heritage with others through dress, food, exhibitions, song and dance and artefacts.

Our central theme being ‘**Celebrating Diversity**’.

Our students will be introducing music and dance, a fashion parade, traditional customs, food and many other elements from different international countries. Also we welcome our MIGS families to bring and share a few dishes from their homelands for everyone to savour.

We would be delighted if you could help us to make this event a success, in any way possible. Support from your embassy would be grateful too. For example, it can be in the form of:

- Preparing performances and games for us
- Loaning us costumes and items for display
- A Country exhibition in classrooms
- Sharing recipes or suggesting places featuring popular local International dishes in Kuala Lumpur, in fact, anything that you can think of.

Please do let us know as soon as possible if you can support us.
