Students are required to be in school before 7.00 am and wait at the MIGS Grandstand. Students are to come to school in their school PE kit. Should you need to pass any medication for your son/daughter, please ensure it is in the original packaging, has the student name and instructions available on the packet and given to the appropriate teacher from the above list.

We will create a WhatsApp group among parents with student's form tutor so that both parties can remain in contact for any updates. For each day event, the approximate return and arrival time to MIGS is 18:30, when the bus is approximately 30 mins away a member of staff will update all via WhatsApp. For the School Camp, the estimated time of arrival is 17:30, an updated time will be given when the bus is approximately one hour away from MIGS. Please also find a suggested Kit list for each group to follow.
