All students who are using the **school transport** must arrive at school by **7:00 am**.

Junior students assemble and wait in the hall

All buses will depart at 07:20

In the unfortunate event that you arrive late to school, please make your way to the stadium as soon as possible.

At the end of the event

Buses will depart from the stadium following the closing ceremony/remarks. Your son/daughter can be collected directly from the stadium at approximately 12noon or from school with an estimated time of 12:30.

We encourage everyone to stay and watch all events and performances, however; for our Reception students, they are allowed to leave once they have completed their race, we ask that parents ensure that they inform the class teacher before leaving the stadium.

Equipment/Items needed

As always, we shall be providing a school lunch which includes drinks, but if you feel it necessary, students can bring additional snacks and water for the morning.

We also strongly recommend that students bring a hat, portable fan, sunscreen, mosquito repellent and a sweat towel.

Additional information

For those parents who are able to attend and support the event: -

Please cheer and support in your own unique way, we politely request all parents to remain in the shaded grandstand and observe all taped-off event areas. Reserve some of your energy...as always there will be a parents vs teachers race! We certainly do encourage all parents to participate in the Parents vs Teachers relay at the end of the day. So parents do bring your running shoes and comfortable clothing suitable for outdoor activities.
