Dear Parents/Guardians

CCA TERM 2 AND 3: ACTIVITIES FOR YEAR 1–3

In Term 2 and Term 3, CCA will be conducted in school every Thursday morning from 8:30-9:30 am. Our CCA activities for Years 1-3 students will remain the same in Term 3.

Here are the activities with a brief description of the club activities, especially for the benefit of new parents:

MODERN DANCE	CREATIVE CRAFTWORK	YOUNG SCIENTIST CLUB
<p>In dance, students will be introduced to some new forms of dance such as hip hop, salsa and Bollywood dance steps and coordination.</p> <p>The objective is to help the students to appreciate that dance is a form of expression using their body which they can create through music. At the end of the ten sessions, students will showcase their skills in a stage performance.</p>	<p>Young children love using their hands in craft work as an outlet to be creative and have some fun. Besides, it is also a booster for their motor coordination, and regulation, as well as self-esteem. The students will design their own purse/pouch, make paper quilled jewelry, bottle show pieces, photo frames, fridge magnets, wall decor and other ingenious craft items suited to their age.</p>	<p>This is an opportunity for our children to be able to expand their knowledge in Science. Experimenting and discovering the wonders of science around us. They will be able to be engaged with sharing, discovering and investigating new ideas as they progressed.</p>

To allow for continuity in students' learning, the 3 activities will be conducted in blocks of 3 consecutive weeks as shown in the schedule below. In between the students will be participating in our Inter house sports competition. On the last week of term, the students will carry out a dance performance based on what they have learnt in their clubs for presentation to our Junior school.

Games for Inter House Competition:

- Various Relays
- Kickball Stop Rounders
- Throw ball Stop Rounders

**YEARS 1 – 3 ACTIVITIES
