Dear Parents and Guardians,

MESSAGE FROM THE PRINCIPAL – YR 11 IGCSE EXAMINATIONS UPDATES

Allow me to thank all parents and students for their swift response to the recent situation.

I write to you this afternoon following recent guidance regarding the **IGCSE Examinations**.

Allow me to initially reassure you that all exams are allowed to continue with a revised set of guidelines as discussed with the health authorities earlier this afternoon.

The first positive news is that our two other members of staff in contact show a **negative PCR** test result. Additionally : those students in the recent History examination on Friday the 7th of May, now have a revised status as 'casual contact - category C'. This means they are therefore allowed to return to campus with some revised conditions.

In essence this means we will run two examination rooms simultaneously for at least the next two weeks.

Group	Registration zone	Examination Room	Other considerations
Casual Contacts (from the History exam 7 th May)	SENCO Room Single desks : extended spacing	Business/Accounts room C9 (Ms Siti's room)	Continue to observe symptoms, sanitize when entering and leaving the examination room and extended distancing whilst on campus
All other Year 11	School Hall (Maximum of two students per large desk and sat at each end)	Accounts room C8 (Mr Bradfield's room)	

As a precaution we have used an external company to sanitize the school and we will not use the original examination room until further notice.

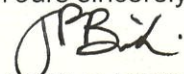

As we approach the break please find a synopsis of our campus entry and learning procedures below.

Short term planning for your reference

Day/Date (May)	Description	Students
Monday 10th	School day	Yr 11 on Exam leave or sitting exams in school. Reception and Years 1-10 Remote learning
