

1st November 2021

MIGS/ADM/T1/PRC/SS/PS/2021-0274

Dear Parents/Guardians,

MESSAGE FROM THE PRINCIPAL – CAMPUS ACCESS FOR EXAMINATION YEAR GROUPS (YEAR 10 & YEAR 11)

As we finalize arrangements ahead of the reopening of our campus to students, I am delighted to share some very welcome news for our Year 10 students. From the **8th of November** they are able to return on a *full time basis* without the need for rotation of campus and online classes.

This means that both IGCSE examination Year Groups (Year 10 and Year 11) will be in school full time from the 8th of November 2021. Online classes will cease for these year groups following the conclusion of today.

If students are receiving the second vaccination dose on the 8th of November (or on subsequent days) please inform our nurse, your form tutor and your subject teachers who will set work/assignments for you on those days you are absent.

For those who have younger brothers or sisters at MIGS, please inform the appropriate form tutors or class teachers if you intend to bring your son/daughter to school during the previously scheduled 'online week'.

The school timings for this week will follow the usual timetable with the exception of CCA classes that will not start immediately. Therefore, dismissal on Thursdays will be at 14:30 for Year 10.

I trust this finds everyone safe and well.

Very best regards,

Mr. JOHN P BIRCH
Principal
