DISCOVERING POTENTIAL • LEARNING TO CARE • RESPECTING DIFFERENCES

24<sup>th</sup> November 2021

Dear Parents and Guardians,

## MESSAGE FROM THE PRINCIPAL – SCHOOL CLOSURE UPDATES 24<sup>th</sup> NOV 2021

As we gain confirmation from KKM regarding the recently confirmed Covid-19 case, allow me to share some pertinent information for the days ahead and the influences for future opening. I must also thank our staff and parents for their swift responses and management of the situation.

Ms Reka has recently sent a detailed communication to all Year 3 parents following her many conversations with KKM's Health District Office of Hulu Langat. Ms Reka has obtained several instructions from them and collated this for parents, students and staff. Please refer to her recent letter for the details.

From this please find brief information below regarding school opening.

DATE	DETAILS
<b>Wednesday 24<sup>th</sup> November</b>	School is closed to all : deep cleanse and sanitization in process
<b>Thursday 25<sup>th</sup> November</b>	School remains fully closed for <b>ALL students and teachers</b>
<b>Friday 26<sup>th</sup> November</b>	All students will continue with online learning, Teachers <b>will work from home</b>
<b>Monday 29<sup>th</sup> November</b>	Students are able to return to campus on rotation Teachers can return to campus on a full time basis

### **Close Contacts**

In essence - any student who is not vaccinated, predominantly the under 12 age group, a quarantine period of 10 days required. If parents need to look after their children during this time they can visit the Health district office to request a quarantine letter for employment purposes. The first possible return date for this group is the 6<sup>th</sup> of December 2021.

We also have four members of staff deemed as close contact who will remain at home, under quarantine and deliver online classes for 7 days as they are all vaccinated. These teachers will return to campus on the 1<sup>st</sup> of December 2021.

All those deemed as close contact must also update their status on the MySejahtera app.

Please also note that anyone returning to school at the conclusion of a quarantine period must undergo a RTK test with a negative result.

### **Casual contacts**

In general, all other staff and students are considered casual contacts and therefore no self-quarantine period is required. Please observe symptoms and seek appropriate care as required,

I will keep everyone updated should situations change. Please stay safe and take care.

Yours sincerely,

**JOHN P BIRCH**  
Principal
