14th February 2022

MIGS/ADM/T2/PRC/YR10/PS/2022-0285

Dear Parents/Guardians,

SENIOR SCHOOL CLOSURE 15TH TILL 18TH OF FEBRUARY 2022

I regret to inform you that recently this evening a student in **Year 10** has received the PCR test result confirming a positive result for Covid-19. With immediate effect all students in Year 10 are considered as close contact and are therefore required to remain at home in quarantine at this time. Due to the greater rotation of teachers in the senior school to deliver specialist classes, 6 members of staff are also deemed close contact and will need to work from home.

As this has a significant impact on staff, it is necessary for all students in Years 7 to 10 to remain at home and access the Remote Learning Platform featured on our school website <https://migs.edu.my> via the Parent Portal using password: MIGST2Jan2022.

The Senior School will remain closed for years 7-10 until the students are able to return on the 21st of February.

We will be in contact with KKM/District Health Office and they will advise on who should undergo any additional PCR testing.

We are completing the classroom sanitization process this evening and school remains open for the Nursery, reception, Junior School and Year 11 classes only.

We will be in further contact with more information on the next steps.

Yours Sincerely,

JOHN P BIRCH
Principal
