

13th October 2022

Dear Parents and Guardians

## ROAD CLOSURES FOR LE TOUR DE LANGKAWI - 13TH OCTOBER 2022

As information comes to light regarding the Le Tour de Langkawi and associated road closures, please find my most up to date information so you may plan an alternative route home today.

Gombak Acting District Police Chief Supt Noor Ariffin Mohamad Nasir said among the roads that will be closed are :

- Taman Melati exit to MRR2 Batu Caves
- Shell Taman Melati exit
- MRR2 from Batu Caves heading to the Gombak toll plaza and Jalan Sungai Pusu to Gombak toll plaza.

He advises all road users to avoid using the roads involved during the race.

The closures are reported to commence at around 13:00 today. Stage Three of the LTdL will start in Putrajaya and end in Genting Highlands with the riders expected to arrive at the border of the Gombak district at about 3.00pm and finish no later than 4.15 pm.

As we have our dismissal time today at 15:30 for the Junior students and 15:45 for the Senior students, hopefully the delays will be reduced as the travel time to the Batu Caves being approximately 20-25 mins, hopefully means that the riders will have already passed by; and the road will begin to open again.

I hope you are able to plan an alternative route for today and arrive home safely with minimum delay.

Kind regards

**JOHN P. BIRCH**  
Principal
