Dear Parents and Guardians

After an extended time of relatively short term planning, I am pleased we are now in a position to plan for the longer term with added confidence. Allow me to thank parents for their support as we moved through many phases of remote learning, blended learning, restricted campus access, and firmly in the new normal as we transition towards new futures.

We remain ambitious and supportive of our students' progress and achievements, remaining committed to offer a quality of education to our students. As you are aware the last fee increase was in Term 2 AY 2016/17, some six years ago now, again I am pleased to share that no fee increases are on the horizon. Moreover a move towards standardisation with some interesting options in the Senior School.

### *Whole School*

I am pleased to share that for our existing students the current fee structure for each year group, will remain in place for the next three years, with a review scheduled for Academic Year 2027-28. The fee structure shared in this email will remain in place as students move through the school years here at MIGS.

In the Senior school you will notice a reduction in the fees for Year 10 & Year 11 students. In addition we are also pleased to extend 'IGCSE exam fee credits' to those students who have been at MIGS for three years or more. In essence the Examination entry fees for up to 8 IGCSE subjects are now included in the tuition fee, a reduction in cost for parents of up to RM 6400. This has also been extended to our current Year 11 students in a recent communication.

In addition we will continue to offer the following payment options that can be found to follow. :-

## Payment Options

\*with the exception of IGCSE ART entries

### Some important points to note

Should a student enter less than 8 subjects, no monetary value or credit will be offered against school fees or any other payment(s) to MIGS. These credits, whether utilised fully, partially or not at all, cannot be used as part or full payment of tuition fees or other associated expenses.

Additionally, if a student leaves MIGS before the Year 11 examination session, examination credits cannot be used against any associated MIGS fees, nor hold any value to be used at another Examination Centre .

### Sibling Discounts

I am also pleased to share the following in regards to Sibling Discounts :-

Child	Current Discount	New Discount applicable from September 2023	Notes
1st child (eldest)	0%	5%	When the first child completes Year 11 and graduates from MIGS the Sibling discount remains at 10% for the children who remain at MIGS.
2nd Child	5%	10%	
3rd Child	10%	10%	
4th Child	15%	10%
