27th February, 2023

Dear Parents,

Subject: **Year 6 Checkpoint Mock Assessments – March 2nd ~ 6th, 2023**

In preparation for our Year 6 Checkpoint Tests, our Mock assessments are scheduled from March the 2nd until the 6th, 2023. As always we encourage parents to assist their child's preparation for the upcoming assessments by revising with them at home. School books will be sent home for revision; please adhere to the daily timetable to ensure they are returned to school on the specified days for use in class. When no assessments are scheduled during the assessment week, classes will continue as usual.

These Mock assessment marks will also contribute to 30% of the total marks for the End of Term 2 reports. The schedule for the mock assessments is as follows:

Trials Day	Time	Subject	Component title	Exam Room
2nd March, Thursday	8:00 ~ 9:00	English	Paper 1	Yr 6R / 6S
	9:30 ~ 10:00	Breaktime		
	10:30 ~ 11:30	English	Paper 2	Yr 6R / 6S
3rd March, Friday	8:00 ~ 8:45	Maths	Paper 1	Yr 6R / 6S
	9:30 ~ 10:00	Breaktime		
	10:30 ~ 11:15	Maths	Paper 2 (Calculator)	Yr 6R / 6S
6th March, Monday	8:00 ~ 8:45	Science	Paper 1	Yr 6R / 6S
	9:30 ~ 10:00	Breaktime		
	10:30 ~ 11:15	Science	Paper 2	Yr 6R / 6S
Normal day to day timetable to be followed before and after Mock exams.				

We are also pleased to announce that, in the spirit of being an environmentally conscious school, a copy of all Assessment Timetables will be uploaded onto the school Parent portal and the learning portal for easy reference.

Some points to remember about Exams and assessments are:

- 1) Topics for eh tests - These will include all topics taught during the first term until the month of February 2023.
- 2) Every student must be on time for all examinations.
- 3) Materials required:
 - a) 3+ Sharpened 2HB - Pencils
 - b) Eraser
 - c) Ruler
 - d) Calculators (Maths Paper 2 only)
 - e) Sharpener

If you have any queries regarding the above, please contact your child's class teacher.

It is important to keep in mind that these assessments are diagnostic and will help to identify strengths as well as areas for development for the future.

Best regards,

Mr John Paul Birch
Principal
