Dear parents and guardians,

Re: Petrosains and Aquaria trip postponement

The Petrosains and Aquaria trip scheduled for the 22nd of May 2023 has been postponed to a later date. This is in compliance with the Ministry of Education's directive regarding field trips due to the current heatwave in Malaysia. The new date for the trip will be announced once the restriction from the Ministry is removed. My heartfelt apologies for the inconvenience caused in this regard.

I would like to thank all the parents/guardians for their support and understanding in this matter.

Yours sincerely,

Radhika Menon
Science teacher
