Dear Parents and Guardians

As the IGCSE examinations reach their conclusion, please find the following information for your reference.

IGCSE Results

Please ensure that your registered email with Mr Shahul remains available as IGCSE results will be available from the 16th of August 2023 on the CAIE [secure website](#). Login details for the Candidate Results website are only issued by Cambridge schools. If you need login details or have lost them, please contact Mr Shahul our exams officer. The site can be accessed using a login and password sent to your registered email. Here at the school we will also receive the provisional results certificates with final certificates arriving at school in mid October 2023.

If you have received results that have disappointed you and wonder what you can do, please speak to myself, Mr Shahul or Ms Kuna who although won't be able to change this result, will be able to guide you through your options.

If you wish to start an enquiry about your result with CAIE, unfortunately there is a cost for enquiries set by the examination board of approximately RM500, depending on the current UK sterling exchange rate. Please also note that making enquiry grades can move up, move down or stay the same.

Verification of results

Although the majority of institutions will accept a certified statement of results, a university or other third party institution may need CAIE to verify your results. The outcome of the results verification will only be sent directly to the third party, Mr Shahul will assist you if you need this service, however CAIE does charge a fee of approximately RM200 for this service.

Testimonials and leaving certificates

We have completed many of these already and please do contact the school should an institution require a testimonial or a copy of your predicted grades. Please also inform your son's or daughter's form tutor should there be a specific item to include in your testimonial. Additionally please note that, as always, the predicted grades sent to educational institutions may well differ from the actual results from CAIE. Most local education providers offer places based on these predicted grades as courses would usually start in September 2023.

You will also be issued a school leaving certificate which will give the details of your time with us.

Graduation

This year we will combine graduation and school speech day, the date of graduation will remain as the 7th of July 2023 with further graduation details to follow shortly

As we draw to the end of the examinations I hope that students will be able to relax a little and also be able to join us for the International Day on the morning of the 16th of June.

Best regards

Mr John P Birch
