DISCOVERING POTENTIAL • LEARNING TO CARE • RESPECTING DIFFERENCES

4th July 2023

MIGS/ADM/T3/PRC/WS/2023/0353

Dear Parents and Guardians

Allow me to thank all those parents who were able to join for the recent events and performances in this term. It really does make a huge difference when parents are able to support an event. I hope you enjoyed the wonderful continent displays and performances of the international Day and were able to witness our rising stars from year 6 performance of Aladdin.

As we move towards the conclusion of the academic year, please find some updated *Key Dates* at the end of this letter.

Additionally I would like to share some exciting news on the development of our facilities by inviting you to join me on Friday the 14th of July for a brief tour of the campus and all the opportunities it has to offer. Friday the 14th is also our Parent Teacher Conference day and I will lead a short tour of the facilities from 12 noon. Please complete this brief google form to ease planning.

Vision

In a new era where communities grow stronger and local opportunities become the new normal. The events of the recent years have clearly demonstrated that change is inevitable, yet growth remains optional. We are thrilled and delighted to join this initiative as we continue to develop the future of Mutiara International Grammar School and The Campus.

New horizons

Whilst our landscape may be changing, our vision, ambition and values remain the same. By being part of The Campus vision, new opportunities present themselves for a truly holistic experience. In the coming months we will have the privilege to access redeveloped learning spaces as we utilise an auditorium, a swimming pool, a sports hall and a weatherproof football pitch. As the academic year progresses and The Campus develops, tangible extended opportunities within our local and international community will present themselves. Great opportunities and new challenges lay ahead for our students of MIGS.

Collaboration, vision and creativity

In the short time working with The Campus project we are enthusiastic about the positive impact for our students and the community, the seamless unison between heritage and development. Please do join me on the 14th for a tour of the new facilities by completing the recent google form.

At the end of each Academic Year we often have to say farewell to families who have completed their time here in Malaysia, staff who may well be moving on to new challenges and indeed our graduating Year 11 class. For those who are moving on, may I take this opportunity to wish them well in their next endeavours.

Finally may I wish you all a safe and enjoyable summer break and I look forward to seeing everyone again in September.

Yours sincerely

JOHN P. BIRCH
